Said license may be reinstated by the Board, in its discretion, by the payment of the renewal fee, the late fee, a reinstatement fee and the required continuing education hours provided said application for reinstatement is made within two (2) years after its last expiration date.

A license may not be reinstated after having lapsed for two (2) consecutive years. A new application must be made and the licensure regulations in effect at that time must be met.

VI. Continuing Education

6-1. Definition and philosophy:

3. Persons who fail to accrue the required continuing education hours shall be issued a probationary license not to exceed 90 days. Hours accrued are first credited for the delinquent hours lacking from the previous licensure period, and then applied to the current (probationary) licensing term.

Probationary licenses will be issued for one licensure period only. No ensuing license may be probationary as a result of not meeting continuing education requirements.

NOTE: Reinstatement of a license revoked for failure to meet continuing education requirements is subject to the discretion of the Board. If said license is permitted to be reinstated, the renewal fee, the late fee, and the reinstatement fee as stated in Section XI of these regulations will be required.
